### About your photo shoot:

We want your High School Senior Portrait session to be fun (and painless!). Each photo shoot is at least 1 hour long. We put no restrictions on outfit changes, poses, etc. We will talk with you first to get an idea of some of your likes and interests – then work with you to choose a style and location that's right for you.

Wear what you are comfortable in. We suggest solid colors and try to avoid anything overly trendy (you'll thank us years from now!).

Finally, your edited images will reveal best YOU. Nothing overly retouched or fake looking. Just a wonderful set of images you'll be proud of for years to come.
